

Introducing **MONEYDOLLY**

An exciting new option for simple and effective fundraisers!

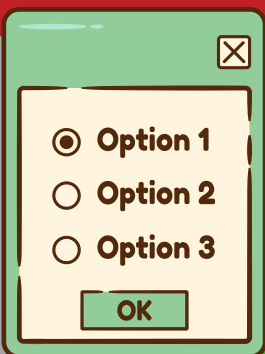

WHAT IS MONEYDOLLY?

A fundraising app that allows participants to raise funds with no order forms, no checks, no cash, & no participant delivery!

HOW DOES IT WORK?

With our easy onboarding Launch Guide, participants can share on social media, text sales links, or share "face to face" with QR Code. The My Circle feature allows for easy organization, management, & text reminders to participant's family & friends.

WHAT ARE THE OPTIONS?

Supporters can choose between a variety of products that are shipped directly to their home OR choose to donate directly, no purchase necessary. There's something for everyone!

LEADER DASHBOARD

Leaders can view results & activity in real time. Teams can be created within app to encourage fun competition! All the information you need in one place.
